SPELLING AT NEWBALD

Phonic Sounds and Spelling Patterns

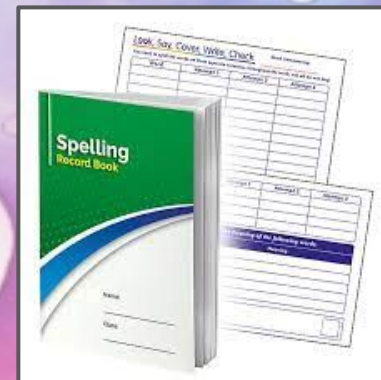

Years 1 - 6 will receive weekly spellings throughout the year. Reception will begin receiving spellings in the second half of the summer term. Reception and Year 1 spelling words are linked to the phonics sounds covered in phonic sessions. Years 2 - 6 spelling words are linked to the weekly spelling patterns taught in class. Years 1 to 6 will also receive common exception words. Every year group will have at least two opportunities to practise common exception words within the tests throughout the year. Spellings can be practised using spelling books and Spelling Frame. Common exception words will also be incorporated into other activities such as handwriting and dictation activities.

Look, Cover, Write and Check

The children will receive spellings in green spelling books. The book provides space for every child to practise writing the words using the pattern 'look, cover, write and check'.

Spelling Frame

Years 1 - 6 will already have or receive Spelling Frame log ins as they begin to use Spelling Frame. Every child can use Spelling Frame to practise the weekly spellings by playing the games and completing the practise tests.
