Reading and Quality Texts at Newbald Primary School

- At Newbald Primary School, we have selected texts for our children to enjoy and be read to by their class teachers. These texts have been carefully selected. In some instances, a link has been made with a topic, but a focus on 'quality first' has been considered ensuring children have access to classic and quality texts which increase in complexity as the pupils move through school.
- Non-fiction books have been highlighted in green and books that have been selected to ensure pupils have a diverse range of storylines and authors are highlighted in yellow. It should be noted that fiction has been prioritised as pupils will also have opportunity to read and comprehend further poetry, non-fiction and fiction texts through their VIPERS reading sessions and by looking at 'what a good one looks like' when studying genres of texts in English and writing sessions.
- Reading and developing a love for reading is of paramount importance and in carefully selecting quality texts and teachers passionately reading regularly to their pupils this is one way in which we promote reading at Newbald Primary School. Where a series of books are available the first book in the series has been selected, so that some pupils will be inspired to go on to read the next books independently. A range of inspiring authors have been chosen so that pupils may choose to read other books written by the author too.
- Expectations are that **all** the identified books will be read to the pupils. Teachers can read more to their pupils once the identified books have been read being mindful not to duplicate books that will be read in future year groups.

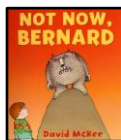

Nursery Booklist

Below is a list of high-quality books which are available to our children in Hedgehogs Class and are used to support our nursery RWI phonics sessions throughout the nursery year.

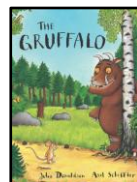

Not Now,
Bernard
By David McKee

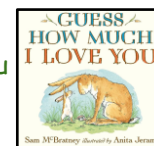

Once there were
giants
